1) Reference is invited to the discussions in the file below

2) In the Case now under adverteence, the Municipal Council itself have agreed to the issue of cycle badges, free of cost, at the request of the D S P & District Magte. ~~As a matter of course~~ As a matter of policy, however ~~good policy~~, it was considered ~~unnecessary~~ inexpedient for Govt to pass ~~Accord~~ any order granting general exemption in respect of Civic Guards cycles of on the several Municipalities. The grant of exemption in one District or Municipality may lead to expectations of a similar Concession being entertained by C G S in other places, and some of the Municipalities may not agree to this. The D.G.P also has since opined that the concession is unnecessary

b) The grant of the Concession in one place and its not being allowed in another, may lead to a certain amount of discontent

I have the honor to state that the services of the Civic Guards are such that speedy conveyance is quite necessary in view of the work to be assigned to them in the case of emergency It is not possible to provide bicycles to all the Civic Guards when the cost of the same is prohibitive an account of war con-ditions I beg to state that showing of some concession to them is desirable to those who own bicycles I therefore recommend that the Civic Guards may kindly be caused to be provided at least free Municipal Badges with a view to create some incentive in them to discharge their duties willingly
